Cullen Bunn : Harrow County Volume 4: Family Tree before purchasing it in order to gage whether or not it would be worth my time, and all praised Harrow County Volume 4: Family Tree:

1 of 1 people found the following review helpful. A Definite Great ReadBy Robert RI love this series. It was different from the type of books I normally read, but I thought I'd give it a shot; I was complete caught up in the story. I'm going to hate to see it eventually end. Definitely a great read.1 of 3 people found the following review helpful. The writing is good and the art is gorgeous as always BUT it ...By M JonesI wanted to give this five stars. The writing is good and

the art is gorgeous as always BUT it has so much filler, around 20 pages worth of bad sketches and the entire script for one comic; just junk. When I buy an apple pie I don't want the chef to come out from behind the counter and show me a pile of apples and then charge me for it. 1 of 1 people found the following review helpful. Cullen Bunn and Tyler Crook continue to impress with fantastic writing and absolutely spectacular art. By M. Tweedale "Family Tree" is a major turning point for Harrow County, pulling back the curtain to reveal the forces that set the story in motion. Cullen Bunn and Tyler Crook continue to impress with fantastic writing and absolutely spectacular art. The book also includes an enormous sketchbook section, full of design work, script pages, and thumbnail layouts.

The Southern horror series continues and is now under development for a SyFy Network television show! Emmy believes she is one of a kind, that there is no one else in the world quite like her. As strangers arrive in Harrow County, though, she discovers just how wrong she is. Are these beings--each possessing strange and ghastly supernatural abilities--her family? Collects the Dark Horse comic series Harrow County #13-#16. Praise for Harrow County from those who know their way around a good horror story! "Genuinely creepy and engaging, plus delicious art." -Mark Millar (Kick-Ass) "Harrow County #1 is worth checking out if you're a horror comic fan!" -Clive Barker (Hellraiser) "A rare thing, both wonderfully charming and genuinely disturbing." -Mike Mignola (Hellboy)

About the Author Cullen Bunn is an American writer of comic books, short stories and novelist, known for his work on comic books such as Deadpool Kills the Marvel Universe for Marvel Comics, and The Damned and The Sixth Gun for Oni Press. His novel work includes the middle reader horror series Crooked Hills and his short story work includes the anthology collection Creeping Stones Other Stories. In 2011 Bunn was nominated for a Ghastly Awards, and won Broken Frontier's Best Writer Independent Award. In 2012 he was nominated for a Bram Stoker Award and an Eisner Award. The author lives in St. Louis, MO.
