Warner Bros. Consumer Products Inc. : Harry Potter Poster Collection: The Definitive Movie Posters (Insights Poster Collections) before purchasing it in order to gage whether or not it would be worth my time, and all praised Harry Potter Poster Collection: The Definitive Movie Posters (Insights Poster Collections):

6 of 7 people found the following review helpful. A Great Buy!By CustomerHarry Potter fans will love these posters. I gave it five stars because I felt the beauty, cost (16.49), and quality were well worth it. This consists of movie posters that are boards (paperback is an understatement) with high quality movie posters advertising the movie in various different written languages from all HP movies; whereas its companion, The Quintessential Images, consists of images

of high quality pictures captured from movie scenes without words from all HP movies. The photos are large and beautiful. I bought another set after ordering the first set of both books. one to keep in its book form and the other in case I decide to hang any of the posters. 2 of 2 people found the following review helpful. A Gift for My Daughter By Rachell would recommend this to any serious Harry Potter fan. I got this for my nine-year-old daughter. She loves looking through the pictures. She hasn't taken any out of the book so far, so I can't rate based on how well they hold up as actual posters. This movie poster collection would be great for any fan of all the Harry Potter movies. 1 of 1 people found the following review helpful.
