Tohko Mizuno : Haruka, Vol. 7 before purchasing it in order to gage whether or not it would be worth my time, and all praised Haruka, Vol. 7:

Akane seems like an ordinary girl--but she's about to discover the priestess within! R to L (Japanese Style). Akane seems like an ordinary girl--but she's about to discover the priestess within! Recently, the capital city has been overrun by a horde of vengeful spirits. With the power of the Dragon God at her command, it's up to Akane to protect her

friends from the mounting danger. If only her friends could get along with each other!

About the Author Tohko Mizuno made her mangaka debut with *Night Walk*, which ran in *Lunatic LaLa* magazine in 1995. Showcasing her delicate line work and use of rich textures and patterns, the quasi-historical *Haruka* is Mizuno's first serialized manga and is based on a video game of the same name. It has spawned several books, including a fanbook, a super guidebook, and a collection of illustrations. Mizuno is also the author of *Mukashi, Oboronaru Otoko Arikeri* (Once Upon a Time, There Was a Hazy Man).
