**Robert Kirkman : Haunt, Vol. 03** before purchasing it in order to gage whether or not it would be worth my time, and all praised Haunt, Vol. 03:

8 of 9 people found the following review helpful. My second favorite after The Walking Dead By BOB I'll keep my review very short. This comic book tells a story of Kilgore brothers, one of them working with government while the other is dead, but gives the other brother supernatural powers. In this volume, they meet The Apparition, which is a mean creature that is constantly on their tail. This comic book has everything I wanted. It has violence, gore, swearing,

good characters, great story, and of course great art. I got all three volumes and I can't wait for next. I would encourage everyone to buy this.0 of 0 people found the following review helpful. The End of The Capullo Haunt Run is awesomeBy thewizardofoddYes ths is the last of Capullo on Haunt. And it's top notch. Great stuff Vol 1-3 are perfect. The top-selling monthly title brings its third knock-out story arc to trade paperback format. The Kilgore brothers settle into their newfound power, but nothing is ever easy in the world of Haunt. The mysterious creature, The Apparition, relentlessly chases down the duo. However, a new ally may have the answers to The Apparition's defeat. Featuring art from master storyteller Greg Capullo, Haunt Volume 3 is the next great edition to any Haunt fan's library.
