B. Clay Moore : Hawaiian Dick Volume 3: Screaming Black Thunder before purchasing it in order to gage whether or not it would be worth my time, and all praised Hawaiian Dick Volume 3: Screaming Black Thunder:

0 of 0 people found the following review helpful. 1950s private investigator gets into all sorts of botherBy PaulAllardThis comic collection deals with a private investigator in Hawaii in 1954 dealing with an elite aviation display team and a visit from the spirit world. There's some extra short stories to pad out the volume.Not having read the previous two volumes does not pose a problem with this collection as the characters are explained at the beginning.

This volume's plot is generally independent of what has come before. Cartoony illustrations work quite well here and the story is engaging and entertaining. Quite fun and worth a look.

The third HAWAIIAN DICK series, collected for the first time. In 1954 Hawaii, Byrd and companions team up with the Black Thunder, World War 2 flying aces, as they confront long-buried ghosts from the war. Meanwhile, old enemies begin to re-emerge. Collects the entire critically acclaimed tropical noir series, complete with backup stories that flesh out the world of Hawaiian Dick. Collects HAWAIIAN DICK: SCREAMING BLACK THUNDER 1-5.
