It was lots of fun, had classic Hawkeye one liners, the passing of the torch by bringing in Kate, and is well written and well drawn. Such a great run and seriously underrated. If you are a fan of Clint Barton, it's a must.0 of 0 people found the following review helpful. Perfect!By CustomerExactly what I wanted0 of 0 people found the following review helpful. It's Marvel's most critically acclaimed comic in recent memory! Clint Barton, breakout star of a little Marvel movie you might have seen a while back, continues his fight for justice...and good rooftop BBQs! With Young Avenger Kate Bishop by his side, he's out to get some downtime from being one of Earth's Mightiest Heroes...but when the apartment building he's moved into, and the neighbors he's befriended, are threatened by a tracksuit-wearing, dog-abusing gang of Eastern European mobsters who say "bro" an awful lot, Clint must stand up and defend his new adopted family...any way he can.
