Matt Fraction : Hawkeye Volume 3: L.A. Woman (Marvel Now) (Hawkeye (Marvel Now!)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hawkeye Volume 3: L.A. Woman (Marvel Now) (Hawkeye (Marvel Now!)):

0 of 0 people found the following review helpful. I'm still eager for moreBy AI it was enjoyable, I just didn't get into it

as much as I did the first two. It might have been the art style that got to me. It wasn't bad, it was just the heavy black shadows on almost every other page. These shadows belong in a black and white comic. Even if it was used to emphasize people being in the dark it's just so heavy and very distracting. Layered shadows would have done the same thing, and looked nicer, that's all I'm saying. 1 of 1 people found the following review helpful. Not as good as first two, but still a good read
By Anonymous
This part is definitely not as good as the first two comics. Kate's PIC is sometimes childish and annoying. There are also flashbacks in places that are hard to distinguish from the main storyline. That being said the plot, illustrations, dialog, and characters are great. The comic flows well and is a fun read. It needs more Barton though.

By Jason
Some of the best writing in comics I've ever read. Pick up volume 1, then the rest if you like it.

Kate Bishop heads to Los Angeles to get away from New York, life, and Clint Barton - but not away from trouble! Because Madame Masque is hanging out at poolside with the rich and famous as well! As Kate helps a reclusive and Sixties-damaged pop music genius find his lost masterpiece, Madame Masque finds Kate. By which we mean starts trying to kill her again. This one has it all! Characters! Plot! Story! Dialogue! Theme! Meaning! Message! Action! A little exposition! Fire! Arrows! Criminals! Neighbors! Large bodies of water! Clients! Cops who don't care! A system that victimizes the victims! The dog! In a broken town where cynicism and apathy has its claws around the throat of the good and decent, Lady Hawkguy is the only hero you can trust!
COLLECTING: Hawkeye Annual 1, Hawkeye 14, 16, 18, 20

About the Author
Matt Fraction, is an Eisner Award-winning American comic book writer, known for his work as the writer of The Invincible Iron Man, The Immortal Iron Fist and Uncanny X-Men for Marvel Comics and Casanova for Image Comics.
