FOLLOW THE ADVENTURES OF HAYATE THE COMBAT BUTLER,HIS OJO-SAMA NAGI, AND A HOST OF FUNNY AND OUTRAGEOUS CHARACTERS.THERE IS A SWEET SARCASTIC HUMOR THE FOLLOWS IN THIS STORY

SO READ CAREFULLY AND DONT MISS THE .ASIDES AND DIALOGUE BOXES.5 of 6 people found the following review helpful. Comedy MangaBy HongsterIntro: Hayate no Gotoku (The Combat Butler) is a story of Ayasaki Hayate who is in debt after his parents sold him off to a group of Yakuza. In order for him to pay off his debt, a young Ojo (Rich Young Girl) named Nagi comes to his rescue to pay off his debt and in return Hayate works as a butler at her place. Now that we have the basics down, unto the review!Pro: The characters in Hayate are the main reason why you are reading this series, the plot (while a bit plain) is not it. While reading this book, you will understand the circumstances each character faces, Hayate with his huge debt, Nagi who is infatuated with Hayate, Maria who is trying to resolve the misunderstanding between the two and so on. The manga is filled with many humorous moments (my favorite happens to be the one where Hayate is dressed up as a cat girl and Tama goes crazy for him). Every character is interesting and refreshing, there are no 2 characters which are alike.Con: This is a shonen so expect some things that are familiar with other shonen manga (such as tournaments, lame fights, etc...though none of these are present in this volume).Conclusion: I highly recommend this to any fan of anime or manga as well as anyone who wants to read something funny. You will not be disappointed.1 of 1 people found the following review helpful. Amazing Series.By Dojo MasterHayate the Combat Butler is an awesome manga. The story is barely existent in the first two volumes but the humor makes up for the non-existent plot. Having read most of the series, I can honestly say that you will either love it or hate it. The polarizing is most likely because of the humor which at times is based on some obscure Japanese reference or the subtlety of some jokes.Thus, whether my review convinces you or not, I urge you to buy it.

Hardworking Hayate has a plan to pay the yakuza--who are now the legal owners of his vital organs--back: he'll kidnap someone and ransom them for a mountain of money. But things get tricky when his would-be kidnappee--who as luck would have it is the daughter of a mind-bogglingly wealthy family--mistakes Hayate's actions for a confession of love, and hires him to be her personal servant. At least his employment future is secure, or so he thinks...

About the AuthorHayate the Combat Butler is Kenjiro Hata's first manga series. He debuted with Kamisama ni Rocket Punch. He is a big fan of classic children's stories such as Frances Hodgson Burnett's Little Lord Fauntleroy and A Little Princess.
