R to L (Japanese Style) Since the tender age of nine, Hayate Ayasaki has busted his behind at various part-time jobs to support his degenerate gambler parents. And how do they repay their son's selfless generosity? By selling his organs to the yakuza to cover their debts! But fate throws Hayate a bone...sort of. A meteor has fallen somewhere near the Izu Peninsula, an area well known for its relaxing hot spring resorts. The tourist trade is thrown into a tizzy when word leaks out that this meteor also seems to have imbued the local hot springs with cosmic powers, including (but not limited to) the ability to raise one's grades or increase one's bust size. Who in their right mind would let a divine opportunity like this slip by? Everyone, from butlers to their masters, are now booking their trips to Izu, so Hayate better pack his toothbrush--it's going to be a bumpy ride.

About the Author Hayate the Combat Butler is Kenjiro Hata's first manga series. He debuted with Kamisama ni Rocket Punch. He is a big fan of classic children's stories such as Frances Hodgson Burnett's Little Lord Fauntleroy and A Little Princess.
