To truly be considered a butler of the highest caliber, Hayate needs more than just punctuality, an unwavering sense of

loyalty and the ability to keep his mistress out of tight situations--he'll also need to develop the ultimate fighting technique! Despite his best efforts, though, our butler-in-debt seems incapable of keeping out of duels. Thankfully, this time it's a non-life-threatening kendo match. Will the path of the sword help guide Hayate toward true domestic enlightenment?
