Keith Giffen : He-Man and the Masters of the Universe Vol. 3 before purchasing it in order to gage whether or not it would be worth my time, and all praised He-Man and the Masters of the Universe Vol. 3:

1 of 1 people found the following review helpful. Great read for the 80's kids! A true walk back in time!By LoganTakes me back in time! As a child from the 80's....I pretty much love anything that has to do with He- Man and the Masters Of The Universe!!! 1 of 1 people found the following review helpful. Just awesome! The new take on She-

Ra's origin has an ...By JW AppelJust awesome! The new take on She-Ra's origin has an excellent beginning and I can't wait to see how it ends.3 of 4 people found the following review helpful. Better than V2By Sam FettWay better than volume 2. Actually v2 makes better sense after reading this collection. I absolutely love the drawings of my childhood heros. In the 80's Ninja Turtles and He-man was my favorite two shows. The artist try hard to draw the characters and make them come alive on the page. They also try and fit as many of the Masters on a page as possible which is amazing to see. Even inserting little jokes that fans have made in the past about certain characters. Either their names like Fisto, or abilities they may have like extra long neck powers. For me it is very nostalgic to read. The story kinda is hard to follow because I feel like details or plot are missing in some sections but overall a good story that brings the world back to life. I am going to buy volume 4 when it comes out so the story has me hooked for now. The one thing I want answered was not mentioned in this collection. In volume 1 it says Orco betrayed them to Skeletor. I am dying to know this story and hope it is told in upcoming issues.

The hordes of Hordak attack Eternia!Eternia is under attack and a woman named Despara is at the lead. When He-Man discovers her true identity, one closely connected to him, it will take all of his power to stop her from destroying everything and everyone he loves. No one in Eternia is safe!

"A treat for He-Man fans."IGNAbout the AuthorKeith Giffen has been a creative force in comics since the 1970s, and has written and/or drawn acclaimed series including LOBO, JUSTICE LEAGUE, AMBUSH BUG, THE LEGION OF SUPER-HEROES, JUSTICE SOCIETY OF AMERICA, DR. FATE and many others. His project FORMERLY KNOWN AS THE JUSTICE LEAGUE won an Eisner Award in 2004. He served as layout artist on DC's best-selling weekly series 52, and is currently writing the miniseries REIGN IN HELL and AMBUSH BUG YEAR NONE.
