loving the new comics from DC. This being my favorite so far. The art is beautiful and consistent, the story is strong with emotion, and the amount of familiar characters will make any long time fan happy. 2 of 2 people found the following review helpful. For adult who remember the mini comics By Average man. Awesome storyline in the MOTU world. They incorporated basics from the original mini comics and the Filmation cartoons but made it for adult readers. It's as it was meant to be. 3 of 3 people found the following review helpful. Good Series By L. Henry Dowell-Playwright Enjoying this series very much. One of the few things DC Comics has done a good job with in the last few years.

She-Ra has the power! One thousand years ago, when Hordak first invaded Eternia, King Grayskull forged the mighty Sword of Power in the very fires of Eternity. The magic weapon defeated the monstrous conqueror, but could do nothing to stop a mutinous overthrow by the King's closest allies. Though Grayskull had rescued his realm with a blade of peace, his blood was spilled that same night with a crooked blade of betrayal. Now, Hordak's hordes have returned and seized control of Eternia. With King Randor dead, He-Man steps forward to lead Eternia back to glory. Newly transcended as the Sorceress, Teela has told him of a secret on the forbidden island of Anwat-Gar that could turn the tide of the war. To retrieve this mysterious advantage, Adam must convince his long-lost sister Adora that she has a place amongst the Masters of the Universe, and the two will have to fight through the perilous Fright Zone... together! Iconic writer DAN ABNETT (MAJESTIC, Guardians of the Galaxy) teams with artist extraordinaire POP MHAN (DC UNIVERSE VS. THE MASTERS OF THE UNIVERSE) to continue to reimagine the world of He-Man and introduce She-Ra in HE-MAN AND THE MASTERS OF THE UNIVERSE: THE BLOOD OF GRAYSKULL (collects issues #13-19).

"A treat for He-Man fans." --IGN About the Author Dan Abnett lives and works in Maidstone, Kent. After graduating from Oxford, he worked for a while as an editor of comics and children's books before turning to writing full time. In the dozen or so years since then, he has written for such a diverse range of characters--including Scooby Doo, Thunderbirds, Conan the Barbarian, The X-Men, Johnny Bravo, Batman, Rupert the Bear, Dr Who, Mr. Men, The Terminator and Postman Pat--that he is now clinically bewildered. He created the popular series Sinister Dexter, which he continues to write, along with other strips, for 2000 AD, and has recently helped rejuvenate RESURRECTION MAN for DC Comics.
