Dan Abnett : He-Man: The Eternity War Vol. 2 (He-Man and the Masters of the Universe) before purchasing it in order to gage whether or not it would be worth my time, and all praised He-Man: The Eternity War Vol. 2 (He-Man and the Masters of the Universe):

downplayed Skeletor's threat and pretty much dismissed him as a foe. By Demetris G Eternity War Volume 2 was a beast! DC Comics really upped the ante on the MOTU mythology. This volume went back and addressed the past. Back stories and cliffhangers were answered, and certain characters' fates were revealed. The only criticism I had came from previous issues on how they downplayed Skeletor's threat and pretty much dismissed him as a formidable foe. As someone who grew up in the 80s, I knew that Skeletor's was a force to be reckoned with. Eternity Volume 2 really establishes Skeletor's character and I am really in awe of him. The rest of the characters had some great storylines and they were very well told and executed wonderfully. If you thought that they could not expand on the MOTU mythology anymore, then you are in for a nice surprise! This was another awesome tale about our favorite heroes and villains. 3 of 3 people found the following review helpful. Wow! By PrincessMama I was expecting some nostalgic fun but this series kinda blew me away with a great story and stunning art. Definitely the best interpretation of He-Man/She-Ra ever. And, despite being more violent than Saturday morning cartoons, so hopeful! 2 of 2 people found the following review helpful. I really enjoyed reading the He-Man series. By Adam I really enjoyed reading the He-Man series. I grew up with He-Man so I was looking forward to an adult comic version. The Eternity War series included all of the characters I was familiar with and included others I was not. It was a great series and I highly recommend it to He-Man fans.

The war for Eternia reaches its epic conclusion! The Eternity War seems all but over. Hordak has seized the full powers of Grayskull now, nowhere in the universe is safe from his wrath. Only He-Man has the ability to stop him...but He-Man is no more. King Adam surrendered his power to save his people, and now the armies of Eternia march on a hopeless quest to battle a near-omnipotent opponent. But elsewhere on Eternia, a strange partnership has formed between Adam's sister, She-Ra, and his greatest enemy, Skeletor. Skeletor has a plan to turn Hordak's own powers against him and free the universe from the threat of the Evil Horde. But Skeletor is not known for his kind heart and generosity. If he has a plan to bring down Hordak, will it only serve to make Skeletor an even deadlier threat than Hordak ever was? And if He-Man is truly gone, who will be able to stand up to Skeletor when he is the ultimate power in the universe? Writer Dan Abnett (EARTH 2: SOCIETY, AQUAMAN) and artist Pop Mhan (DC UNIVERSE VS. THE MASTERS OF THE UNIVERSE), along with He-Man's Head Writer Rob David, turn the world of He-Man and the Masters of the Universe on its ear. Collects issues #7-15.

About the Author Dan Abnett lives and works in Maidstone, Kent. After graduating from Oxford, he worked for a while as an editor of comics and children's books before turning to writing full time. In the dozen or so years since then, he has written for such a diverse range of characters--including Scooby Doo, Thunderbirds, Conan the Barbarian, The X-Men, Johnny Bravo, Batman, Rupert the Bear, Dr Who, Mr. Men, The Terminator and Postman Pat--that he is now clinically bewildered. He created the popular series Sinister Dexter, which he continues to write, along with other strips, for 2000 AD, and has recently helped rejuvenate RESURRECTION MAN for DC Comics.
