From Brand: Rutgers University Press : Health in Rural North America: The Geography of Health Care Services and Delivery before purchasing it in order to gage whether or not it would be worth my time, and all praised Health in Rural North America: The Geography of Health Care Services and Delivery:

Experts in public health, geography, and demography examine the spatial aspects of rural health care services and delivery. They pay special attention to high-risk populations--children, the elderly, disabled people, the mentally ill--and make policy suggestions.
