By Reviewer from TerraMost comic readers know that this is the end for Hellboy. It is a magnificent ending, but I'll miss the big red guy. He's been a great standard for comics for years and Mike Mignola wrote him well. Enjoyable, if sad.

I really like the story so far and, as always, the art by Fegredo is really good.

Mike Mignola and Duncan Fegredo conclude their epic collaboration that began in 2007's *Darkness Calls* - a saga that changes everything for Hellboy! In *The Storm and the Fury*, Hellboy cuts a deal with the devious Baba Yaga that may secure the survival of mankind in this follow-up to 2009's lauded *Hellboy: The Wild Hunt*. But when war ensues between the forces of good and evil, Hellboy must finally confront the Queen of Blood in a battle which will set the stage for a new chapter in Hellboy's life!
