Mike Mignola : Hellboy, Vol. 9: The Wild Hunt before purchasing it in order to gage whether or not it would be worth my time, and all praised Hellboy, Vol. 9: The Wild Hunt:

0 of 0 people found the following review helpful. Most Excellent! One of the very best HELL BOY graphic novels! By Old Man Parker Really amazing work. I am a a big HELL BOY fan, and I can say this is one of the very best HELL BOY graphic novels! Wow! Brilliant story. Amazing Art work! Really love re-reading and enjoying this master piece over and over. The only other HELL BOY Graphic Novels that might be better (in my humble opinion) Would be

"Darkness Calls" "The Midnight Circus" those 2 graphic novels plus this one, and you are reading some of the very best sequential art ever published - I think. Most Excellent! 0 of 0 people found the following review helpful. Another great twist! By SHellboy is always great, and this is another great addition! "...But you also had a mother..." What an unexpected turn in his back story! Mignola continues to be great, and Duncan Fegredo has managed to step up and be as equally amazing a Hellboy artist as Mignola. Yes, I feel that strongly about how awesome he's doing, and I always insisted that Mignola was the only one who could draw Hellboy. First, read Darkness Calls, then get The Wild Hunt. 1 of 1 people found the following review helpful. good, makes me miss mignola By The Silverback This is the turnover of mignola doing both writing and art to just writing. The artist they've tapped to handle the book is very good overall, but not having to draw has made Mignola overly "wordy" making his books now not feel like hellboy books. They've lost their simplistic elegance and are worse for it. Its certainly not a bad book... it just doesn't feel the same.

When ancient giants begin to reawaken in the British Isles, Hellboy is invited to join an ancient band of fellow monster hunters called the Wild Hunt and help bring them down. But an unexpected betrayal sends Hellboy after a quarry far more deadly: the Queen of Blood, first seen in 2007's best-selling Hellboy: Darkness Calls. This newly reborn evil has her murderous sights set on all of humanity, and the only way Hellboy can stop her is to finally confront the truth about his own dark heritage.* Mignola reunites with artist Duncan Fegredo for the eagerly anticipated follow-up to Hellboy: Darkness Calls.* Hellboy: The Wild Hunt collects the entire eight-issue miniseries, along with an extensive sketchbook section from both artists.* A New York Times bestseller!
