Kohta Hirano : Hellsing, Vol. 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Hellsing, Vol. 2:

Being a very enthusiastic Hellsing fan, I couldn't wait for it to arrive. When it did, I paid little attention to which book it was, rather I was much more focused on putting it in its rightful spot on my bookshelf.It was when I came back to to order some books for my mother's birthday, that I realized something was wrong. In my orders, it listed me as having bought number 2. When I checked the shipping slip inside the package, it also said Hellsing Volume 2.The book itself was volume 6.SO.

Amazingsalebooks, while you DID screw up, you also gave me one of the books I needed to complete my collection. Faster and cheaper than what was offering. Thanks! It gave me a good laugh and ended up making my day. On the subject of the volume I did receive, it was in very good condition. All that was wrong with it was some wear on the top and bottom edges of the spine. 0 of 0 people found the following review helpful. I was completely blindsided when I saw it was this wonderful book right here in its perfect condition and amazing ...By Brooksie I had actually forgotten I had ordered this, so imagine my surprise when the package is thrown at me by my own mother. Let me tell you, she will never learn that she can't throw, and I learned to never allow her near one of my orders lest she aim and miss and bonk me on the head again. But I digress, I was completely blindsided when I saw it was this wonderful book right here in its perfect condition and amazing storyline. I was absolutely happy to see Alucard be his basically sassy self with poor Seras following behind and Sir Integra being exasperated or just plain bad ass. Walter, well it's Walter. He's a calm mystery no one can figure out. 0 of 0 people found the following review helpful. Hellsing 2 By roy Hellsing vol. 2 in English. Old printed edition by Dark Horse. Manga by Kouta Hirano. Seras and Alucard ward off the Valentine brothers' ghoul attack on the Hellsing HQ. Excellent manga, an essential read for any Japanese comic books fan!

Hellsing continues with more blood, guts, ghouls, and gothic murder. Created by Kohta Hirano, and making its way into an incredibly popular anime, Hellsing pushes the boundary of horror, yet looks so visually stunning and graphically cool that instead of being scary, it's super fun. Certainly not intended for younger readers, this series follows the Hellsing Organization, an old institution created by English royalty to squash the ghoulish undead of the world, as they face an insurgence of murderous monsters running rampant across the isles, fueled by... could it be... Nazi's? Watch the dark story unravel as Dark Horse Manga presents Hellsing volume 2.
