Don't want to ruin the book for ...By Jacinda Rilla WrightThis book was an exciting read, with a little bit of everything for everyone. With Nazis, ghouls, and vampires this is an epic novel with a amazing fight. Don't want to ruin the book for any body so I will just say if you like manga this is a must read!The seller also got this book to us in record time. So expect a fast arrival if you go with the same seller.0 of 0 people found the following review helpful. At Long LastBy Papi CrabtreeThe original Hellsing anime stopped before the series got really good, so it was up to the manga to carry

on. Vol. 8 has been a long time coming, but it carries the crazy, blood-soaked story on into the battle of vampires, werewolves, Nazis, the Protestant Knights, and the Catholic Iscariot Section XIII. The Hellsing Organization stands alone against all its enemies and the fight has come to their door. Each of the armies has a champion 'trump card' and all of these are facing off in what remains of London. I'm glad the anime is being remade into the Hellsing Ultimate series, but until it's finished, I'll be sitting here waiting on Vol. 9.0 of 0 people found the following review helpful. AMAZING By Sawalha Hellsing Manga is amazing and fun to read... I had a great time reading this series and I would recommend it to anyone who loves Manga and anime. PS: I watched the anime before reading the Manga and it was amazing :D

London is already bathed in blood, its citizenry almost entirely slaughtered by vampiric, reborn nazi soldiers. And marching through the rivers of blood - thousands of extreme Catholic warriors in creepy cloaks. But the focus of this chaotic eighth volume is the return of Alucard, the slave-paladin of the British Protestants, who's just piloted an aircraft character up the Thames to join the fray. It's a crazy face-off between three gory armies and their primary killers, and if you think that sounds nuts, wait until you dive into the crimson-stained new volume of Kohta Hirano's creepy-cool Hellsing manga series.
