**Tom Neely : Henry Glenn Forever Ever** before purchasing it in order to gage whether or not it would be worth my time, and all praised Henry Glenn Forever Ever:

El.I got a chance to see this spread as an art show and I believe I was the only laughing my butt off. The different art styles and the stories just made me laugh too much. Being a fan of both Black Flag's Henry R and Misfits' Danzig, and knowing how macho they both come off, I think just elevated this gag to another level.2 of 2 people found the following review

helpful. More of this, please!

Some of the funniest stuff I have ever read! The schoolyard cameo of Ian Mackay the bully was a piss riot!

Two men. Two myths. One legend.  
The greatest love story ever told has finally been released in graphic novel form, featuring 20 short stories about the domestic life of "Henry" and "Glenn" and sometimes their neighbors "Daryl" and "John." Glenn deals with issues with his mother while Henry, "a loud guy with a good work ethic," shows his darker side and indifference to a fan as he drinks black coffee and bonds with Glenn over their distaste for their own bands. These are two men who truly suffer best together.  
The book collects four serialized comics, adds 100 never-before published pages, including new stories, pin up art, and full color covers from the original series.

"One of my favorite uses of satire is a comic book that depicts me in a romantic relationship with rock vocalist Glenn Danzig. I have never opened a copy; I am happy to live the rest of my life never knowing what happens to the two of us in those pages. I am told that in the story, our neighbors are Hall and Oates! If I were to find that anything less than hilarious, then I am in the wrong business."  
Henry Rollins, LA Weekly  
"I didn't think it was very funny. I thought it was a very crappy, opportunistic book. People are extremely stupid."  
Glenn Danzig, in an interview with Rolling Stone  
"I wouldnt be the neighbor, but Id be in the Satanic cult!"  
Daryl Hall  
"A little cult-beloved slice of domestic bliss/angst."  
SPIN Magazine  
An unauthorized work of fantasy, but so are the 'official' personas of Rollins and Danzig.  
LA Weekly  
What if Henry Rollins and Glenn Danzig were a gay couple who lived together?  
Vice Magazine  
"The bigger the fan of each of these guys you are, the bigger the laugh."  
Maximum Rockroll  
"File under ludicrously awesome'."  
Just Out  
"More than a political statement."  
Bitch Magazine  
"Goes beyond the tired and obvious bromance genre."
