Los Bros Hernandez, Gilbert Hernandez, Jaime Hernandez, Mario Hernandez : Hernandez Satyricon (Vol. 15) (Love and Rockets) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hernandez Satyricon (Vol. 15) (Love and Rockets):

The final Vol. 1 collection, with uncollected stories from the previous three years. Easily the wildest and most outlandish volume! This concluding volume collects the "unclassifiable" stuff from the previous three years, including the stories where Jaime and Gilbert drew each other's characters. It's easily the wildest and most outlandish volume yet, featuring lots of hard-to-find stories, illustrations, and special features, including Gilbert's experimental,

autobiographical "My Love Book," Jaime's adaptation of stories written as a child, and the glorious return of wayward brother Mario! Black-and-white comics throughout
