You can giggle along with the serious Doc and root for her and Shu while they bumble along finding their way in this new love. Highly recommended!0 of 0 people found the following review helpful. The sweet sweet love story of Shuji and DrBy Michelle ArthurThe sweet sweet love story of Shuji and Dr. Saji. So much drama in the second novel. Will everyone get a happy ending? It's YAOI! So of course they will.0 of 0 people found the following review helpful. Enjoyable storyBy Diane C.This volume of Hide and Seek

was shorter than the previous one, but nonetheless very good. I really like the way the relationship between Shuji and Takafumi is developing. I think it kind of funny the way that Takafumi keeps calling Shuji "Mr. Tanihara, even though they have been together more than once. I look forward to reading the next book in the series

On a whim, shop owner Shuji Tanihara hooks up with reserved pediatrician Takafumi Saji. Shuji wasn't expecting much from the fling, but after seeing an unexpected side of the serious doctor while out on a date, Shuji finds himself becoming more attracted to the man. When Shuji accidentally sees Takafumi kissing someone else, he's surprised at how conflicted it makes him feel. To make matters worse, the doctor then tells Shuji that he won't be able to see him for a while! Will the relationship that started as a fling finally deepen into something more?
