The story changes the dynamic of the characters but stays thoroughly entertaining. This series continues to be one of my favorite mangas. The 3-in-1 is a great value for building your collection.0 of 0 people found the following review helpful. One StarBy ANONYMOUSdont like0 of 0 people found the following review

helpful. A must read! I have yet to finish this manga but I'm still loving the characters! Haruna and Yoh make such a great pair! Like the first book, this also took a while to get here. It still didn't disappoint.

Hapless Haruna needs help finding a boyfriend! After failing to win the eye of any guy in high school, Haruna enlists the help of cute upperclassman Yoh to coach her on how to make herself more appealing to the male species. Yoh agrees, with one catch: Haruna had better not fall for him! When Haruna and Yoh start dating, their path to true love is filled with obstaclesawkward dates, a manipulative sister, and even a vengeful nemesis! Through it all, Harunas determination keeps her going! But when Yohs ex-girlfriend shows up, how will she handle the competition?
