2 of 2 people found the following review helpful. Can I love this any more? By Kitsune Akai Yes! I've waited for this one for a while. I got to read some synopsis of the story, so I'm ahead a little. But it continues being a really great read and I am anticipating the next book every time one is published. This book deals with the lovely hurdle of a first kiss,

and all the crazy emotions, rather literally in our heroine's case, that come with it. Super cute, rather exaggerated, and just a lot of fun. No cliffhanger to be afraid of, so it's a well rounded volume. I can't wait for the rest of the series to continue! Very satisfactory. 0 of 0 people found the following review helpful. Too soft. By Customer Covers are little bit weak, so it's hard to put the mangas in the bookshelf if your bookshelf is full like mine. And the sticker in the cover of the manga is little bit too strong and it sticks on the mangas cover harder than the covers itself to the pages. Otherwise very good. Just kinda too soft. 0 of 0 people found the following review helpful. Loveeee! By jamie So this book is absolutely fantastic. If only all mangas had 3 volume books it would be awesome. If you like romance and comedy it's an excellent manga and a great price. Normal one volume mangas are 10 dollars per or more so to get 2 more for 12..13 dollars is a steal. Definitely worth getting! And it came in great condition a couple days early.

A bargain omnibus edition of the bestselling romantic comedy final omnibus volume includes all-new material (previously unpublished Volumes 14 and 15 of the series)! Hapless Haruna needs help finding a boyfriend! After failing to win the eye of any guy in high school, Haruna enlists the help of cute upperclassman Yoh to coach her on how to make herself more appealing to the male species. Yoh agrees, with one catch: Haruna had better not fall for him! Friendship and love are put to the test when Yoh's friend Asaoka reveals that he likes Haruna. The two boys strike a deal: whoever loses the school sports meet will give up on her! Later, Haruna grapples with an unattractive girl who's obsessed with Yoh. But can Haruna win against jealousy and sabotage?
