**Richard Starkings, Jose Ladronn, Joe Casey : Hip Flask: Unnatural Selection 10th Anniversary Elephantmen Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hip Flask: Unnatural Selection 10th Anniversary Elephantmen Edition:

Amador VazquezThe Elephantmen is one of those comics that have quality pouring from every inch of every page and Richard Starkings couldn't have chosen a better artist, Jose Ladronn's art is something to be viewed in a prestige format the bigger the better since, his art is so

intricate and defined, this edition makes the book such a wonderful fit, Ladronn's art is a mix of Jack Kirby, Moebius, Katsuhiro Otomo and Geof Darrow it's all richly detailed, and the story of a megalomaniac madman creating the most durable and powerful soldiers that earth has ever suffered, it is a story of war and peace. Those of you who like; Blade Runner (30th Anniversary Collector's Edition) [Blu-ray] and The Incal, Hip Flask is a great addition to the Elephantmen Volume 1: Wounded Animals Revised Edition TP world. 0 of 0 people found the following review helpful. Short and sweet, but great By Michael Yankovich Short and sweet, but great. As a new fan of the Elephantmen, I knew I wanted to go back to the beginning of the story, and that's what you get here: an introduction to the Elephantmen and the insanity of their creator Doctor Nikken. The oversized hardcover is beautiful, and the artwork by Ladronn is mindblowing. The one downside was the length, which I've seen addressed in other reviews. I'm not totally sure what this book compiles, whether it's one oversized issue, or a couple stories, but I think they could have done a little better with extra features besides the covers gallery, especially for a "10th Anniversary Edition". Either way, this book is a great addition to any Elephantmen/Hip Flask collection.

Featuring the art of Eisner award winner Ladronn, the long-out-of-print Hip Flask: Unnatural Selection Hardcover collects the remastered and expanded "widescreen" art and story from Hip Flask: Unnatural Selection as well as pages and covers from Hip Flask: Elephantmen.
