Suzuki Tanaka : His Favorite, Vol. 1 before purchasing it in order to gauge whether or not it would be worth my time, and all praised His Favorite, Vol. 1:

This is a fun story about these two characters. Sato knows Yoshida in his past as we find out and he does like him but he certainly loves to tease and torment him. All the girls hate Yoshida for taking up all his time, but he tries to tell them it is all Sato's doing. They don't believe him. This is a very funny story and not at the moment much Yaoi but things to change in the coming books. Love this series. 0 of 0 people found the following review helpful. Five Stars By Cynthia Bess Loved it 1 of 1 people found the following review helpful. Hilarious and Original! By Nicolle Aguilar I was already familiar with this manga, but having it physically in my hands is a new experience entirely. I could read this series a hundred times and never tire from it. It takes the Yaoi genre and turns it on its head, while still keeping all the things you love, and makes fun of all the clichés. It's all in good fun,

though! While parodying, it really grows into its own unique narrative. While humor is the main lure of this manga, you'll be caught off guard by just how genuinely heartfelt it can be. This is a manga that almost anyone could love.

One hot guy, one funny-looking guy, one hilarious couple! Reads R to L (Japanese Style) for mature audiences. Awkward Yoshida is hated by all the girls in school for his perceived closeness with hot guy Sato, who uses hanging out with Yoshida as an excuse to turn them all down. If Yoshida is merely an excuse, why does Sato taunt him in private about his favorite? Is it possible Sato's feelings run deeper than friendship? And what could he possibly see in the funny-looking Yoshida? Watch Yoshida's life turn upside down with hilarious results!

About the Author Known for her engaging stories and dynamic art style, Suzuki Tanaka has garnered plenty of attention for her latest hit, His Favorite. After taking first place in the 2009 boys' love watch list book Kono BL ga Yabai! the series exploded in popularity and led to the reprint of her earlier work, Menkui.
