Toshiki Yui : Hot Tails, Vol. 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Hot Tails, Vol. 2:

Hot Tails is a set of eleven (11) comic books published by Eros Comix™ from March 1996 to June 1997. These were English-translations of works first published in Japan by Byakuya Shobo 1993-1994; the original works were written illustrated by Toshiki Yui. The Eros English-translation comics were numbered from 1 to 10 with an additional issue marked Hot Tails Special. These comics have color covers and range from 24 pp. to 40 pp. of BW comic book panels with bubble dialogue. The author explores sexually explicit lesbian group sex themes. Strictly ADULTS ONLY! Hot Tails Volume Two is a compilation published in October 1998 by Eros Comix™. It consists of Hot Tails comics #5 thru #9, and Hot Tails Special, for 184 pp. total.
