Corey Taylor : House of Gold Bones before purchasing it in order to gage whether or not it would be worth my time, and all praised House of Gold Bones:

2 of 2 people found the following review helpful. This book is beautifully drawn and written By Leigh I'm going through a very rough time in my life right now...between Stone Sour, Slipknot, his books, and the multitude of videos on YouTube, I'm indebted to Corey Taylor for helping me stay sane and sober. This book is beautifully drawn and written, and is a "sit down and don't stop till you're done" read--I recommend it to anyone with even a passing interest

in graphic novels. You won't be disappointed.0 of 0 people found the following review helpful. Cory Taylor is as gifted at writing a story as ...By JudenBearCory Taylor is as gifted at writing a story as he is at writing music. It locks you in immediately and doesn't let go until the end.0 of 0 people found the following review helpful. Mighty Corey continues his winning streakBy dylan2kCorey is batting 1000 and he doesn't miss here, that's for sure.

In a nightmarish world, the Human finds himself at a crossroads as wild adventure ensues and he's thrust into a morphing landscape of rolling hills, dense forest, and an ominous Crimson City. Chased by a crazed mob and mysterious characters neither friend nor foe, the Human takes an unexpected journey that will lead to his salvation or damnation. Collects the four-issue miniseries.* Inspired by the Stone Sour album House of Gold Bones Parts 1 and 2.* Includes variant covers by Frank Quitely, Kyz Hotz, Steve Morris, and Richard Clark." House of Gold and Bones #1 explores the fear of the unknown in interesting ways. Though the issue leaves a lot of unanswered questions, I look forward to reading how Taylor will develop the mystery." - Bloody Disgusting
