The novellas do a great job of filling in the world of the story. Keep them coming. I like the long stories best as I get to immerse myself in the world. 0 of 0 people found the following review helpful. Up to Best By Lee Heckman This was a very interesting book as it was in the form of cartoon. The drawings were wonderful and the story of the first set accomplished. This is good for younger girls

Until recently, Zoey Redbird was an average high-school student worrying about grades, boys, and breakouts. But priorities have a way of changing when you're Marked as a vampyre, enroll in the vampyre academy House of Night, and have to figure out a whole new social hierarchy, affinities for elemental magic, and physiological changes that make you crave blood! Follow Zoey, and her group of devoted friends, as they turn to *The Fledgling Handbook*, a historical vampyre tome, in hopes of better understanding this big, new world of vampyrism. The magical world of New York Times best-selling authors P. C. Cast and Kristin Cast comes to comics! Collects issues #1#5 of the series.
