**Peter J. Tomasi : House of Penance** before purchasing it in order to gage whether or not it would be worth my time, and all praised House of Penance:

1 of 1 people found the following review helpful. just my style of read By Jessica DeRaps This book had me hooked from the start. Amazing art style. Glossy crisp coloured pages. Relatively short read but I will be reading this book again and again. Very eerie ambiance about this tale. Very dark story. 0 of 0 people found the following review helpful. Good read, great art! By Clay+Jay Interesting take on the legend of the Winchester mansion. I visited the actual

mansion earlier this year after I had read this and now I feel like I will have a whole new perspective reading through this story again. I really enjoyed the art style and use of color in this comic. Would recommend for that alone. 1 of 1 people found the following review helpful. Fun, quick read  
By Carlyle Alexander Blomme  
Very enjoyable read with interesting themes of remorse and redemption. Illustrations are often jaw-dropping. My only criticism is that the line between real and imaginary is blurred a little too much for the ending to be very satisfying for me.

A horrific take on the true story of the Winchester haunted house and one woman's mission to wash away the blood curse of the Winchester rifle from claiming her own life and soul. This is a tale about guilt, ghosts, and guns...of how fortune brings misfortune, as a grim and determined woman oversees the construction of a house twenty four hours a day for twenty years with the simple motto of keep busy building or get busy dying."Peter Tomasi and Ian Bertram make you want to sleep with the lights on after reading this tale of horror and dread that wraps you around the throat and doesn't let go. There's a price for everything, and we are reminded of that in the most entertaining, and disturbing, way."- Geoff Johns (Justice League)"House of Penance is Peter Tomasi's finest work to date, a haunting, macabre experience that will stay with any thoughtful reader long after its conclusion. A fine tale well told, and highly recommended."-Garth Ennis (Preacher)

About the Author  
Peter J. Tomasi is an American comic book editor and writer, best known for his work for DC Comics. As an editor, he oversaw numerous books featuring the Justice League, including books starring various members of that team, such as Batman, Aquaman, Martian Manhunter, Green Lantern and the Flash. As a writer, he has written books featuring Batman-related characters, such as Batman and Robin and The Outsiders, and Green Lantern-related books such as Blackest Night, Brightest Day and Green Lantern: Emerald Warriors.
