Though the creative differences between the main writers have led to major head-butting, the plot of Aki's game is

completed without further incident after he spends a sweet night (?) with Utaha. Character design is up next on the to-do list, but before that can get underway, a familiar face from Aki's past shows up waiting for him at the school gate! Little Izumi isn't so little anymore, and her debut sends shockwaves through the other heroines!! A doujinshi showdown awaits at Summer Comiket!! Is Aki's dating sim on the backburner?!
