It reads like an episode of the Race to the Edge series!By Rachel PayneI wish it was longer but I can't complain about 69 pages of awesome dragon-riding adventures! Hiccup and friends are trying to get Berk back to normal after the events of the 2nd movie when they are alerted to a dragon problem on a neighboring island. To escape the rising tension among his fellow vikings, Hiccup

heads off to see what kind of assistance they can offer. It soon becomes clear that dragons are only part of the problem. 0 of 0 people found the following review helpful. Never Enough of the Dragons of Berk By D.E. Williams Can't get enough of the Dragons. Hiccup and Toothless are my dreamteam. I enjoy graphic novels anyway, and this one is a great next step in the series after the second movie. Hiccup is the Chieftan of Berk, but it's a community in upheaval after the loss of Stoic the Vast. And Toothless is now the Alpha of All Dragons, which is pretty cool, but brings its own set of issues. How can hiccup turn his back on a needy village? How can he leave his own in turmoil? Her and his friends have a lot to learn about being in charge, but the ending is both humorous and touching. If you like the movies and enjoyed the animated series, you'll like this graphic novel. 1 of 1 people found the following review helpful. and pretty enjoyable. Showed up in great condition not damaged ... By Brittney Quick read, it is a comic after all, and pretty enjoyable. Showed up in great condition not damaged from shipping and was a decent price. Would recommend for any How to Train Your Dragon fan trying to get through waiting for the next movie and season for race to the edge.

The dragons of Berk are coming to Dark Horse! Hiccup, Toothless, and all their dragon-riding friends from DreamWorks Animation's acclaimed How to Train Your Dragon films are starting new adventures in comics! Created with the help of the film's writer, director, and producer Dean DeBlois, these graphic novellas will bridge the gap between the second film and the upcoming third film. More adventures, more dragon lore, and more fun! You won't have to wait years for more dragons; they are coming to you--in comics!
