Chip Zdarsky : Howard the Duck Vol. 0: What the Duck? before purchasing it in order to gage whether or not it would be worth my time, and all praised Howard the Duck Vol. 0: What the Duck?:

I knew that when I saw a new "Howard the Duck" series was starting, I would have to start reading it and it's executed so well. It's a great read, funny, and tongue-in-cheek. I love that there are references throughout the issues of past adventures Howard's been on and the writers tell you the source, issue, the reference is

from. There's awesome cameos in here from the Guardians of the Galaxy to Fantastic Four to Dr. Strange and She-Hulk, even to Squirrel Girl, which gave me a chuckle. These are the five issues to a Prologue kind of series. The actual "Howard the Duck" series is released in the Fall. This gives you an awesome adventure of Howard and introduces new characters, that I'm assuming are going to become regulars in the new series. Awesome read and I look forward to the new series. 0 of 0 people found the following review helpful. Don't
By Kenneth E Crocker I tried, no thank you. I just don't think anyone other than Steve Gerber really understood this character. If your a fan of the original series i would stay away from this. Grab a copy of the Howard book that Gerber did for Marvel/Max a few years ago, much better than this. This is obviously Marvel cashing in on the curiosity about the charter created after his appearance in Guardians Of The Galaxy. 2 of 2 people found the following review helpful. Hilarious Good Time
By Pen Name I couldn't stop laughing all throughout this trade. Howard pokes fun at the superheroes we all know love. His sarcasm and wit shines. Hope to read more future comics on Howard T. Duck

HOT off the pages of... the post-credits scene at the the end of a popular movie, HOWARD THE DUCK is back! Join him as he takes on the weird cases that only a talking duck can crack as the Marvel Universe's resident private investigator! Let Sex Criminals' CHIP ZDARSKY (a writer known mostly as an artist) and JOE QUINONES (an artist known mostly as a lover) guide you through his new world as he takes on THE BLACK CAT and MYSTERIOUS FORCES FROM OUTER SPACE! COLLECTING: Howard the Duck 1-5

About the Author Chip Zdarsky is the pseudonym of Canadian comic book artist, journalist, illustrator and designer Steve Murray. His comics' fan base knows him as Chip Zdarsky, and he has also used the pseudonym Todd Diamond. He worked for National Post for over a decade, until 2014, as an illustrator and humorist (as Steve Murray) and wrote and illustrated a column called Extremely Bad Advice for the paper as well as The Ampersand, the newspaper's pop culture section's online edition. He uses the Zdarsky pseudonym for comics-related work, using it to create Prison Funnies and Monster Cops and as artist and co-creator of Sex Criminals with writer Matt Fraction.
