Mark Millar : Huck before purchasing it in order to gage whether or not it would be worth my time, and all praised Huck:

0 of 0 people found the following review helpful. Fantastic BookBy fanboyrgIf you love a story with great writing, great unique art, and heart and soul, you will most likely enjoy this graphic novel. I'm surprised I hadn't heard about it sooner, but I'll glad I did.0 of 0 people found the following review helpful. Amazing!By HollyThis book was a surprise. I had read about the hype around it, and I'm a huge fan of Mark Millar and Image Comice, so I immediately

got it when I had the chance. It didn't disappoint. It's familiar in the sense that you are reminded of a Forest Gump/Of Mice and Men kind of vibe, but also unique in a way. Couldn't stop reading until I was finished. Hit me right in the feels. 0 of 0 people found the following review helpful. Just a great read. By theRigoIm a big Mark Millar fan and once again was not disappointed. Read it several times already and love the message behind it. Recommend to any long time readers or first time starters.

In a quiet seaside town, a gas station clerk named Huck secretly uses his special gifts to do a good deed each day. But when his story leaks, a media firestorm erupts, bringing him uninvited fame. As pieces of Huck's past begin to resurface, it's no longer clear who his friends are - or whose lives may be in danger. This series from writer MARK MILLAR and artist RAFAEL ALBUQUERQUE presents a comic book unlike anything you've read before.

SCHOOL LIBRARY JOURNAL -- Gr 7 Up -Huck, abandoned at birth and adopted by a kind couple, is a Good Samaritan with a penchant for deeds that range from random acts of kindness to superhero feats of heroism. Huck lives a low-key existence until his good works become public knowledge; soon everyone is seeking assistance from him. Like all superheroes, Huck becomes the target of a villainous plot to destroy him. Written by Millar (Kick Ass) and illustrated by Albuquerque (American Vampire), this title follows the superhero origin trope of abandonment and self-discovery. Albuquerque's illustrations, which use background colors to convey mood, add to the pacing of Millar's story. Although readers are likely to note similarities and draw comparisons between Huck and superheroes, such as Captain America and Superman, Huck is an everyman hero with extraordinary abilities-and without the suit. VERDICT Recommended for young adult comic book fans.-Tamela Chambers, Chicago Public Schools, IL
