One of the greatest Hulk stories ever!By trey.thickThis TPB collects The Incredible Hulk: Future Imperfect 1 2, as well as The Incredible Hulk: The End oneshot.I haven't been into comics for more than a couple of years but I have loved the Hulk my entire life and decided that reading the comics would give me further insight to my favorite character. I have found that trade paperbacks are probably the best way to catch

up on the 50ish years of storytelling! I have read the Future Imperfect storyline and I loved it, especially due to the truly magnificent colors and art done by George Perez. However I have not read The End oneshot yet as I'm trying to finish the entire Peter David run on Marvel Unlimited right now (I highly recommend MU if you are a comics fan and have a tablet). All in all, you can't go wrong with this purchase, especially at the \$13 I got it for! I highly recommend it to any Hulk fan! 3 of 3 people found the following review helpful. A great story with great art By Robert F. Tobey This was a great story with some great art by Dale Keown and George Perez. Peter David's writing is always amazing. If you love Hulk stories or a look into Marvel future this is the book for you. 1 of 1 people found the following review helpful. Maybe Peter David's best Hulk story By SBD Maybe Peter David's best Hulk story, and that's saying something. Probably Perez's best artwork, and that's really saying something.

The Hulk has seen the future...and it is murder. Beloved Hulk writer Peter David brings readers two classic dystopian tales of earth-shaking impact. Both stories find the Hulk at the end of the Earth - and at the end of his rope! In "Future Imperfect," the Hulk is the last super power in a post-apocalyptic Earth, ruling with an iron fist as the wicked Maestro. But summoned from the past by a small band of rebels is perhaps the only being who can stand against him! And in "The End," the green-skinned titan walks alone through a wasted and barren land - and must confront the one who is easily his ultimate nemesis! COLLECTING: Incredible Hulk : Future Imperfect 1-2, Incredible Hulk : The End
