Robert Williams : Hysteria in Remission: Comix Drawings before purchasing it in order to gage whether or not it would be worth my time, and all praised Hysteria in Remission: Comix Drawings:

2 of 2 people found the following review helpful. A COMPLETE CHECKLIST OF THE ORIGINAL PUBLICATIONS OF HIS DRAWINGS!By G. ChandlerROBERT WILLIAMS "HYSTERIA IN REMISSION" (January 2013) Fantagraphics Books, 2002, Signed Numbered Hardcover Edition (The only book, that collects ALL* of his DRAWINGS)What I own of the original (first editions!) comics where the drawings came from:1. "Snatch Comics" No. 3 (1969, very small in size: 5" x 7")2. "Yellow Dog" Vol. 1, Issue #7 and Vol. 2, No. 2, Issues #9 #10 (newspaper-like)3. "Coochy Cooty Men's Comics" (1970) Williams' only solo comic book of his career, still kept in print (Last Gasp) every page is included in this 2003 book4. "San Francisco Comic Book" Vol. 1, No. 2 (March-April, 1970, The Print Mint)5. "Illuminations" (December 1971, The Print Mint - never reprinted!)6. "Tales From The Tube" No. 1 (1973, Print Mint) R. Griffin Surfing Comic Book7. "Zap Comix" No. 4, 5, 6, 7, 8, 9, 10, 11, 12 13 (1 small

drawing in No. 14)*8. "The Lowbrow Art Of Robt. Williams" (1978, the 1st Last Gasp book of R.W.)This is the only book of his paintings (many) that has a large section of his drawings.Amazingly there are 14 small drawings 8 pages of drawings NOT in this book!!(Tattoos, Ed Roth works, t-shirt designs, biker patches, `Ford Flatheads' more.)*9. "Kustom Kulture" (1999) This actually has some `Roth Advertisements' (1967)that are NOT (!) in this book: "Art Department", "Wonder Products Today" and"Before And After". Plus Coochy Cooty in "Grab Yuh Ankles, America!" (1971).Amazingly (also), this book has much better reproductions of the (3-of-6) Roth ads!(But everything else in the book is way-beyond-better than the original publications)WHAT I DO NOT HAVE (given as the page numbers in "Hysteria In Remission"):Pages #7, 65, 67, 68-69, 90-91, 100 (top-left), 101-103, 112, 145-148, 149, 162-163,173, 179, 186-187, 194-196, 197, 202-203, 204-210, 224-227, 244-245, 249, 252-255,258-261, 262-263, 274-275, 276, 277-279, 283 286-287 (all black white drawings)COLOR DRAWINGS: 113-120, 121, 122, 123, 129, 130-131, 134-135, 136-137 140(113-120: storyboards 121-133: all covers) CONTE CRAYON: 138-139 284-285With other artists: S. Clay Wilson: 90-91 and 141 with Victor Moscoso: 197 and:106 ("Science Fiction Comics"): `Collaboration' with 6 other `underground artists'.FAVORITES: 66, 68-69, 84-87, 111, 121-129 (covers), 123, 133, 172, 244-245, 276,and ALL of his work in the "Zap Comix" (10) "Coochy Cooty Men's Comics"!!LEAST FAVORITES: (that are not in Williams' usual surrealist-psychedelic style)90-91, 113-120, 138-139, 141, 142-144!, 145-148!., 173, 197, 284-285 286-287This (obviously) was done for my OWN research of what I already owned of the originals.And is *not* an average "review" of the book. Hopefully, this will be of interest anyway.Certainly it will be for fans of Williams who's been collecting his originals, going way back!Trust me, there is NO better "underground" artist who even comes close to his drawings!!Ironically, he is well known (wealthy!) from his paintings doesn't even draw these days.(There's a *waiting list* for collectors of his large, very colorful surrealist paintings!)But it's his black white ink drawings that I find even MORE psychedelic surrealistic!!From a long-time fan, another artist from San Francisco

The artist's underground comics work.

About the AuthorIn addition to being one of the seven, originalZap Comixcontributors,Robert Williamss influence on alternative art is immeasurable. From his endeavors to broaden the possibilities for young artists to gain exposure sprang the well-known art chronicle,Juxtapozmagazine. He is the subject of a recent documentary, Mr. Bitchin.
