By ZombiZalex I love the anime series and as soon as I saw the manga was making its way to the States I had to buy! I love that it comes in a double volume, it takes up less space and you get more bang for ya buck. It is a little obscure and graphic so, this series isn't for kids or beginners of manga. You gotta give it a chance when, you're ready.

The wackiest love triangle ever is now a hit anime series!The hilarity continues as Takanashi Nao's massive crush on her adoptive older brother Shuusuke grows. But her best friend Iroha will not be overshadowed, as she desperately competes for Shuusuke's affection in an ever-escalating battle.Meanwhile, class president Mayuka has introduced a secret weapon that Shuusuke can't possibly resist. As Nao and Iroha strive to outdo Mayuka, frisky Shuusuke struggles to keep his cooland more importantly, his sanity.
