Kusano Kouichi : I Don't Like You At All Big Brother!! Vol. 7-8 before purchasing it in order to gage whether or not it would be worth my time, and all praised I Don't Like You At All Big Brother!! Vol. 7-8:

1 of 1 people found the following review helpful. A strong story and cast outweigh an uncomfortable premiseBy Robert FisherI started reading this series last year and while I enjoy it, I must make some qualifications. Some readers might find this work offensive as its protagonist is a girl attracted to her brother. Even I will concede that I found a few scenes on the creepy side. However, overall, the strong story and cast outweigh the more uncomfortable elements. Also, aside from some brief nudity, this is a tale of sexual tension, not explicit display. Our central characters are Nao, bright and calculating in her campaign to win the heart of her brother Shusuuke, a hapless and horny fellow, and their

neighbor Iroha, who has an obsessive passion for Shusuuke herself (Note: Nao was delighted to learn in the first volume of the series that she is adopted and not actually blood related to Shusuuke). This volume continues a story that began in the previous volume as Shusuuke is in danger of flunking and a pretty tutor named Richika is brought in to get him prepared for a major exam. She starts by confiscating his immense porn collection and warning against any self-pleasuring until after the exam, but hints at a great reward if he passes which has Nao and Iroha wondering if they don't have a rival and Shusuuke uncertain if he can stand her regimen. In the end, Nao is given an unsettling look at her own possible future when she has a meeting with Richika and Richika's brother. It's not quite a cliffhanger, but it does leave one waiting to see what happens next. As noted above, *I Don't Like You At All, Big Brother!* may not be for everyone, but it is a surprisingly engaging series. 0 of 0 people found the following review helpful. funny yet strange. By Matt S. Another strange yet funny volume of this book lol. Just read the title n you can probably figure out this series has some taboo themes in it. Just a fair warning. 0 of 0 people found the following review helpful. Five Stars By travislove it but its taking too long for the next one

APT PUPIL Spurred on by his fantasies of Richika-sensei's reward should he pass his supplementary exams, Shuusuke is doing his best to follow the tutor's rigorous learning method. However, said method involves restricting Shuusuke's lusty appetites, which soon turns him into a ticking time-bomb of repressed sexual tension. Desperate to keep her oniichan sane, Nao tries to conceive of ways to give Shuusuke that climax he so frantically needs. But like grandmasters waging war on a chess board, Richika-sensei deftly places each of Nao's pieces in check. Your move, Nao.
