**Arina Tanemura : Idol Dreams, Vol. 3** before purchasing it in order to gage whether or not it would be worth my time, and all praised Idol Dreams, Vol. 3:

0 of 0 people found the following review helpful. Five StarsBy CustomerI like this series a lot0 of 0 people found the following review helpful. Good storylineBy CustomerI liked this volume. I liked the development of chikage deguchi and twould love triangles. It was good to finally see more movement in her adult life. I enjoyed it.0 of 1 people found the following review helpful. A solid volume, but not the bestBy D. CooteyThis volume focused on the love triangle

Chikage is in as an adult. It was an important storyline since much from her past was revealed, but at times, the art was awkward, and Chikage's insecurity is borderline psychotic. I find I enjoy her more as Akari. This is probably by design. After all, if Chikage wasn't so pathetic, there wouldn't be a need to turn her into Akari. However, I have to wonder if the mangaka, Tanemura, doesn't think much of Chikage either. She doesn't draw her as well as she does Akari. In addition, the story drags whenever it focuses on Chikage. I'm having a hard time seeing them as the same person. As Chikage grows from her experiences as Akari, I hope that she becomes a more likable heroine. At this point in the story, she's still a neurotic mess.

At age 31, office worker Chikage Deguchi feels she missed her chances at love and success. When word gets out that she's a virgin, Chikage is humiliated and wishes she could turn back time to when she was still young and popular. She takes an experimental drug that changes her appearance back to when she was 15. Now Chikage is determined to pursue everything she missed out on all those years ago including becoming a star! To pursue missed chances at love and success, 31-year-old Chikage Deguchi takes an experimental drug that changes her appearance back to how she looked at age 15. Chikage meets Tokita and her first love, Haru, for drinks. Tokita has been able to keep his feelings for Chikage a secret, but Haru isn't fooled.

About the Author Arina Tanemura began her manga career in 1996 when her short stories debuted in Ribon magazine. She gained fame with the 1997 publication of ION, and ever since her debut Tanemura has been a major force in shojo manga with popular series Phantom Thief Jeanne, Time Stranger Kyoko, Full Moon, and The Gentlemen's Alliance. Both Phantom Thief Jeanne and Full Moon have been adapted into animated TV series.
