Now with Marvel making awesome super heroes movies, I've started buying these collections here and there....Man, I don't know how I missed this great story! (...well, Iron

First was never a grade A super hero...well, that's my excuse). This is a great storyline. Beautifully written and drawn. Definitely a great addition to my collection. 2 of 2 people found the following review helpful. Fraction and Brubaker are two of the best writers in the comic book industry right now. By nirvanaaqn Fraction and Brubaker are two of the best writers in the comic book industry right now, and this story is incredible, and the art is breathtaking. I have read NOTHING about Danny Rand, and did not feel out of the loop throughout this collection. Great little snippets about past Iron Fists, and a great way to get started on this hero. 0 of 0 people found the following review helpful. Ed Brubaker Strikes Again. By MrChamberlain Marvel has figured out they have a good thing when they put certain characters in the hands of Ed Brubaker. And he knows how to bring the best out of established characters and usually create something iconic. He did it with Daredevil, Captain America, Winter Soldier and now The Immortal Iron Fist. I honestly never gave the character a second thought before Netflix started building the Defenders universe, but this transformed the character into incredible. I loved every page of this book.

Experience a brand-new kind of Iron Fist story, one steeped in legends and fables stretching back through the centuries! Orphaned as a child and raised in the lost city of K'un-Lun, Danny Rand returned to America as the mystical martial artist Iron Fist - but all his kung fu skills can't help him find his place in the modern world. After learning that the legacy of the Iron Fist holds more secrets than he ever dreamed, Danny is invited to fight in a tournament against the Immortal Weapons. At stake is the life of his friend, the legacy of his father and mentor...and the future of K'un-Lun! COLLECTING: Immortal Iron Fist 1-16, Annual 1; Immortal Iron Fist: Orson Randall and the Green Mist of Death 1; Immortal Iron Fist: The Origin of Danny Rand 1; Civil War: Choosing Sides 1
