Erik Kriek : In The Pines before purchasing it in order to gage whether or not it would be worth my time, and all praised In The Pines:

1 of 1 people found the following review helpful. Pine ScentedBy J. J Spinal'm suddenly deep with graphic novels these days and anything that has a music edge to it stabs right at the heart of what matters to me. This does it with some Americana tales of woe by Gillian Welch and Steve Earl, the classic Long Black Veil and am lovely lunge at love and death by Nick Cave. My only wish is that a script on the actual classic tale of homicide, In The Pines, was animated as well. Did I mention this is one of the most finely crafted and beautiful books I've ever purchased? There. I just did.

A Dutch cartoonist adapts five murder ballads some of which have been covered by modern masters like Nick Cave, Steve Earle, and Gillian Welch into ruthless graphic narratives. A collection of murder ballads some of which have been covered by modern masters like Nick Cave, Steve Earle, and Gillian Welch that have been adapted into ruthless graphic narratives. Full-color illustrations throughout.
