Then, it was lost and I had a hard time trying to buy a replacement copy. I really panicked when I heard that Marvel was discontinuing the Essentials and Visionaries line until I learned what their Epic Collection line would consist of. My first Epic Collection purchase was the Captain America stories which included John Byrne's entire run and the beginning of Mike Zeck's. My second was Peter David 's Incredible Hulk which featured the end of Dale Keown's run and the beginning of Gary Frank's. As much as I enjoyed those first two, they pale in comparison with the original Hulk Epic Collection featuring the original Stan Lee/Jack Kirby/Steve Ditko stories. I've read them many times in other reprints and I never get tired of them. I even love that they reprinted the Hulk's first meeting with the Fantastic Four, The Avengers, and Spiderman. I hope Marvel keeps these trade paperbacks in circulation for years to come.I've come to terms with the fact that Marvel and DC can do whatever they want with their characters, however they want. Instead of wasting time griping about it, I'll content myself by purchasing my favorite stories of their characters from the Silver Age up until before Flashpoint/Marvel Now. This collection is definitely one of those.2 of 2 people found the following review helpful. a good smash on a classic readBy daniel waller jra re visit of some of the hulks classic battles fair stories a good buy2 of 2 people found the following review helpful. Dr. Robert Bruce Banner may look like a mild-mannered scientist, but after being caught in a gamma bomb explosion, he became the unstoppable engine of destruction known as the Hulk! Stan Lee and Jack Kirby's atomic update on the Dr. Jekyll/Mr. Hyde paradigm mixed the might of giant monsters with Cold War intrigue and added a heavy dose of psychological drama. Decades later, it's a formula that still has readers clamoring for more! COLLECTING: VOL. 1; INCREDIBLE HULK (1962) 1-6; FANTASTIC FOUR (1961) 12, 25-26; AVENGERS (1963) 1-3, 5; AMAZING SPIDER-MAN (1963) 14; TALES TO ASTONISH (1959) 59; JOURNEY INTO MYSTERY (1952) 112
