Jillian Tamaki : Indoor Voice before purchasing it in order to gage whether or not it would be worth my time, and all praised Indoor Voice:

Sketches, thoughts, and comics from the artist of Skim Jillian Tamaki has taken the visual world by storm. A sought-after illustrator, she has racked up accolades and awards from the Society of Illustrators and Society of Publication Designers, and has a client list that includes The New York Times, The New Yorker, and Esquire. Her breathtaking talent was further established with the debut of the graphic novel Skim selected by The New York Times as a Best

Illustrated Children's Book of 2008 which was written by her cousin Mariko Tamaki, and drawn with moody black-and-white nuance by Tamaki. *Skim* completely reinvented the young adult graphic novel genre with an utterly original and sincere portrait of being a teenage outsider. *Indoor Voice* collects pen, brush, ink, watercolor, and collage experiments that show how Tamaki arrives at her illustration work, as well as more polished and personal comics work examining her relationship to her parents and their influence on her art.

Jillian Tamaki has an especially expressive, loose style. *Bust* Jillian Tamaki has a swooping, gorgeous pen line-- expressive, vibrant and precise all at once. Publishers Weekly About the Author JILLIAN TAMAKI grew up on the Canadian prairies and now lives in Brooklyn, New York, with her husband.
