**Gerry Duggan : Infinite Horizon** before purchasing it in order to gage whether or not it would be worth my time, and all praised Infinite Horizon:

The Eisner-nominated series inspired by The Odyssey is finally completed and collected. The Soldier With No Name survived years of war only to be stranded halfway across the globe when the conflict ended. Getting home means

going through the hell: escaping shipwrecks, beating a vicious opponent wearing a cycloptic combat armor, and resisting the siren's call of a predatory society. Contains bonus material by artist Phil Noto.
