By claretoldmetochangemyscreenname
Infinity War Aftermath is unfortunately a rather pointless collection when you consider nearly half of the comics included in it are issues of Infinity Watch that you can read in Infinity Watch Vol 1, a Holiday special about Thanos and Gamora that's in the Infinity War main volume, and then a series of Quasar

and Silver Surfer stories that barely tie in with Infinity War. The Silver Surfer story covers the follow up to a previous story arc and just involves Warlock gaining the Surfer's future help. The Quasar story makes little sense without reading previous Quasar comics and just answers the question of what happened to him after his seeming death in Infinity War. There is also a lame Pip special and bits from a Pip narrated swimsuit special that is just bizarre and way too 90's. 2 of 2 people found the following review helpful. This is an ok compilation. Only really necessary if ...By Dave Z This is an ok compilation. Only really necessary if you are really into the Infinity War/Crusade and want a little more follow up to the characters such as Warlock and his followers. 0 of 0 people found the following review helpful. Great Read By Sarina Martinez I got this for my husband who is a comic collector. He loved it! It is one more step towards completing his collection. Great read.

The Infinity War is over - now continue the story with Warlock and the Infinity Watch! Can a comatose Adam overcome his identity crisis and put himself back together again? If he does, Silver Surfer has a favor to ask - one that would pit Warlock against Mephisto for the soul of Surfer's love Shalla-Bal! Plus, there's the battle that green ink was invented for: Drax the Destroyer vs. the Incredible Hulk! Meanwhile, Quasar battles for the title of Protector of the Universe - and his very life; Pip the Troll battles a resident of Monster Isle, the deadly Gamora confronts the U.N. - and don't miss a very Thanos Christmas! COLLECTING: WARLOCK THE INFINITY WATCH 11-17, SILVER SURFER/WARLOCK: RESURRECTION 1-4, QUASAR 41-43; MATERIAL FROM MARVEL COMICS PRESENTS (1988) 112, MARVEL HOLIDAY SPECIAL 2, MARVEL SWIMSUIT SPECIAL 2
