Jim Starlin : Infinity War before purchasing it in order to gage whether or not it would be worth my time, and all praised Infinity War:

0 of 0 people found the following review helpful. Infinity WarBy TeddyThe sequel to Infinity Gauntlet.. great collection with the added material giving more emphasis and color to the main story..0 of 0 people found the following review helpful. Infinity War wellcraftedBy CustomerWoven with a tapestry of excitement and action, Adam Warlock has a grasp over those he leads that is both tenuous yet strong.0 of 0 people found the following review helpful. Great

story and great series
By Susan Gazaway
This was a great story and a very great series. I also enjoyed the short stories at the end. It was very interesting.

After Adam Warlock's return in 'Infinity Gauntlet', his worse half Magus wasn't far behind. The struggle for ultimate power over the universe continues when a stockpile of evil twins overwhelms the Fantastic Four, Avengers, X-Men and more. Will the universe be saved, destroyed, or both?
