Solid Collection By clairetoldmetochangemyscreenname Infinity Watch Vol 2 takes place after the events of Starlin's Infinity Trilogy (Gauntlet, War, Crusade) and follows the continued adventures of the Infinity Watch team as they try to maintain the ties that bind them together. After the events of Infinity Crusade, Adam Warlock is in a coma only to be awoken by the celestial entity Eternity. The rest of

the book centers around the previous prediction that Warlock would meet a group of people, one of whom would attempt to kill him. A great Companion to the Infinity TrilogyBy Will MillerWhat a great book! This book concludes several of the story lines that began in the Infinity Trilogy. This is a must have for any Thanos or Warlock fans!

The uncanny adventures of Adam Warlock and his Infinity Watch conclude! But before the band break up and go their separate ways, there are plenty of adventures to be had -like a battle for Monster Island against the Avengers! There will be new love for Adam, and heartache for Gamora! The Watch will face the full fury of the Man-Beast, learn how Count Abyss traded his soul for power, and be caught in a subterranean war between Tyrannus and the Mole Man! The mysterious Strange targets the Infinity Gems, and the Watch faces execution for their sins at the hands of Zakaius!
