people found the following review helpful. If you liked Ellis' other work By Paul S. Hemmings Transmetropolitan, then Planetary, now this. If you liked Ellis' other work, you like this. I happened to love his other work so no surprise, I love this. It's truly exceptional.

Consulting detective Vivek Headland, originally of the group that caused the release of a haunted artificial intelligence into the world, lives and works in New York, dealing with all the strangeness that very strange city can throw at him. But a case involving a stolen ghost and human deli meat causes him to call for help, as the details of the investigation reveal a new battleground between humanity and The Injection.
