Buccellato surprised me alot with this volume.. in a good way!By John RIt was a nice way to wrap up the series, it definitely did a good job of setting up for the series, I was wary at first when Brian Buccellato initially took over for Tom Taylor but i think in the long run, he definitely turned things around towards the end and

proved he deserved the writing job,0 of 0 people found the following review helpful. Five StarsBy A. ScottGreat series, had me hooked!

Writer Brian Buccellato and an all-star team of artists bring the epic prequel of the hit video game to its shocking conclusion! The Man of Steels most implacable enemy, the Dark Knight, has teamed up with the warlord of Thanagar to bring Kryptonite-powered destruction to Supermans regime and all of its work. But it will take more than brute force to take down the totalitarian regime of the Man of Tomorrow. As the Caped Crusaders ally Batgirl hacks into Cyborgs database to broadcast proof of Supermans brutality to the world, a dimensional vortex is breached, proving that a reality in which the worlds greatest heroes work together is indeed possible. Meanwhile, lethal adversaries like Lex Luthor, Deathstroke and Raven put their own plans into play. Will Supermans new world order crumble around him? Or will he live to rule another day? Author Brian Buccellato provides all the answers in INJUSTICE: GODS AMONG US: YEAR FIVE VOL. 3! Collects INJUSTICE: GODS AMONG US: YEAR FIVE #9-20 and INJUSTICE: GODS AMONG US ANNUAL #1!
