Tom Taylor : Injustice: Gods Among Us: Year Three Vol. 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Injustice: Gods Among Us: Year Three Vol. 1:

4 of 4 people found the following review helpful. The Price of Peace By Mickey Guyton The idea of Superman driven to dictatorship and police state enforcer with the help of the likes of Wonder Woman did not appeal to me initially. Equally unappealing was this titles footing for the game Injustice Gods Among Us; I don't game so heavily these

days...I'm lucky i find time to sleep. BUT this is awesome. IGN called it a cinematic read and they were right. Tom Taylor's writing takes the story from improbable and unpalatable to believable conflicts and investment in the struggle. Is Superman right or is Batman? Have they both gone to far? In year two it is all out war and there are some terrible losses on both sides. Somehow Taylor spends time on all the different heroes and villains without making the plot too broken up or monotonous. This launched me into picking up titles I never would have before, like Lobo and Birds of Prey. I was also very pleased to see The Question, even if for a brief cameo. Preordering the next volume! I think waiting for this monthly would be torture. This was my first hardcover volume purchased and I think I will try to buy hardcovers from now on.I received a review copy of this graphic novel from Diamond Book Distributors, NetGalley in exchange for nothing more than an honest review. I also purchased it here from .2 of 2 people found the following review helpful. Year Two: Guess Who DiesBy Zalmorion the FantasticBought the hardcover, so I cannot speak to the Kindle version.Loved the story. This series seems to be getting BETTER each "year." The Green lantern Corp comes to Earth's rescue, but others come as well. Again, a few cogent arguments are made by both sides. A bunch of people get HURT. A bunch of surprises come at you.It's a really fun read. It's also interesting to note who YOU side with on the series' issues. I seem to flop back and forth at times.The pacing is quick. The art is excellent. The violence is brutal. THIS is how a comic books series should be written. Adult themes. Both sides may be right. And a lot of beloved people get put in a vice or two.The deaths will shock and disappoint you, but they just ramp up the tension. Injustice is DC's Breaking Bad.BUY IT.1 of 1 people found the following review helpful. The next step in the decent of SupermanBy S. R. TounzenThis is such a fun read, if you haven't read the first two years this is not the place to start. If you caught up to this point, you will see Batman recovering from his Bane like altercation with Superman, while the Justice League Dark is brought into the mix to choose sides. This can mean a lot because one of the few things superman is weak against is Magic. This new chapter doesn't pull any punches and multiple heros/villains are taken off the board permanently. Find out which side John Constantine, Swamp Thing, Zattana, Dr Fate, The Specter, The Mysterious Stranger and more choose in this fun alternate world of DC heros.

Explore the world behind the smash-hit video game from the makers of MORTAL KOMBAT! There was a great and terrible war between heroes. On one side, Superman and his Justice League with their allies in the Sinestro Corps, who sought to bring peace through absolute order. On the other side, Batmans army and the Green Lantern Corps. It ended with Superman wielding a fear-powered yellow ring and murdering Black Canary while the world looked on. But Batman lived to fight another dayand Batman always has a back-up plan. Only one force in the world can hurt a Kryptonian wielding a Sinestro Corps ringmagic. Now, with John Constantine seeking his own revenge against Superman, the sorcerer con man is helping Batman add the greatest magicians in the universe to his growing army. With the most powerful magic in the universe on their side, Superman shouldnt stand a chance. Yet, something mysterious is protecting the Justice League. Something that wants to protect Supermans vision of a world under his controland something deadly enough to kill some of the most powerful beings in the universe. Red-hot writer Tom Taylor (EARTH 2) and artists including Bruno Redondo (HUMAN TARGET) and Mike S. Miller (BATMAN: ARKHAM UNHINGED) deliver some shocking changes to this twisted take on the DC Universe! Collecting INJUSTICE: GODS AMONG US: YEAR THREE #1-7.

"An entertaining gateway into the new game universe."--IGN"One of the best DC comics to not only come out this week, but since the start of 2013."--AICNAbout the AuthorTOM TAYLOR is the creator of the Aurealis-Award Winning graphic novel series THE DEEP (which tells the adventures of a multiethnic family of underwater explorers who live on a submarine). The Deep has been optioned by Technicolor to be turned into a 26 episode CG animated series. He is perhaps best known for the best-selling DC Comics series, INJUSTICE: GODS AMONG US, and his many Star Wars series, which include STAR WARS: INVASION and STAR WARS: BLOOD TIES (which won the 2012 Stan Lee Excelsior Award). Taylor has written for DC Comics, Dark Horse Comics, IDW Publishing, Wildstorm, 2000 A.D. and Gestalt Comics.
