0 of 0 people found the following review helpful. Least entry in the series By Reviewer from Terra Showing the second half of the Injustice series from Harley's pov makes for a weak story. The art is ok, but not as good as the prime series. I don't know if I'll follow this. 2 of 2 people found the following review helpful. I really enjoyed this! It's an absolutely

Crazy and violent but endearing, and she doesn't talk in that horrible New York street accent. Lots of Harley and lots of fighting and violence with a ton of humour that cracks jokes at itself, the video game, the previous story and the superheroes themselves. Lots of fun! I should say, however, that I have not read the "Gods Among Us" series that this is based on nor have I ever even heard of the video game that was based on.

Writers Christopher Sebela (SUICIDE SQUAD MOST WANTED) and Brian Buccellato (DETECTIVE COMICS) and artists Pop Mhan (HE-MAN: THE ETERNITY WAR), Tom Derenick (INFINITE CRISIS: FIGHT FOR THE MULTIVERSE) and Daniel Sampere (GREEN ARROW) delve deep inside the twisted mind of Harley Quinn for her unique take on the events of Injustice: Gods Among Us, straight from ground zero! Following the release of the most-anticipated fighting game sequel, Injustice 2, this is the story behind the original hit game Injustice: Gods Among Usbut this time, told like never before! For her entire career as a criminal, Harley Quinn lived in the shadow of her beloved Joker. But when one joke went too far and drove Superman to kill, Harley found herself on her own for the first timeand teamed up with the very heroes she used to fight! With Superman now a brutal despot, Batman must lead a team of heroes and villains to form the resistance to the Man of Steeland Harley is on the frontlines, whether Batman wants her there or not! For the first time in her life, Harley has her own identity, her own gang and a new sense of purpose. But will Harley throw it all away when her beloved Mr. J seemingly returns from the dead? Or will she take her place as a true hero in this strange new world? Collects INJUSTICE: GROUND ZERO #1-6.
